You are free to use this design any way you'd like. I searched for an easy peasy way to make boot toppers and finally came up with a design of my own. You can wear these boot cuffs in many different ways with any height of boot, as shown below, or.....turn them upside down and wear them over a pair of shoes. *Note: These are **not** attached to the sock.* Enjoy!

Materials I used:

Self striping sock yarn

4 Double Pointed Needles – US Size 3 (3 1/8 MM)

Note: I'm new at designing, so my rounds may not come out exactly even. You may need to adjust Steps 3 and 6 if you are concerned about everything being matchy, matchy.

1. Cast on 66 with long tail cast on.
2. Divide onto 3 needles....22, 22, 22
3. Join into a round with 4th needle and Knit 2 Purl 2 until top of cuff is approximately 7 inches long.
4. Next round: K2 tog, K16, SSK (*You may need to adjust this if you want it to come out exactly.*)
5. Knit the next round.
6. Raspberry Sticha: Purl 1 round
7. Raspberry Stitchb: Knit 1, *knit 1, yarn over, knit 1 into the next stitch, purl 3 together, knit one, yarn over, knit 1 into the next stitch. Repeat from * to the end of the row. (*Again, this may not come out exactly but it didn't make any difference with mine.*)
8. Next round: Repeat the Raspberry Stitch (Steps 6 & 7)
9. Next 4 rounds: Knit 2 Purl 2 (approx. ½ inch)
10. Bind off and weave in ends.
